March 1st – 3 years

From the Desk of Ellen Daly...

March comes in like a lion and goes out like a lamb. Our first theme for March is "Wild Weather". We'll talk about the seasons and how the weather changes throughout the year.

Spring brings many changes such as the robins poking around your yard and pussy willows blooming along the streams.

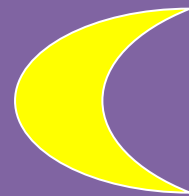

The St. Patrick's Day party will be on Wednesday, March 17th. The children will make rainbows and hear stories about the pot of gold at the end of the rainbow.

"Our Pets" is the other theme for March. We have pet fish in our classroom and we'll learn all about the pets that you can imagine!
